

"And Jesus said unto them, I am the bread of life: he that cometh to Me shall never hunger; and he that believeth on Me shall never thirst."

John 6:35

Lemmings are small rodents
 That eat voraciously,
 And in their search for something more,
 Swim out and die at sea.
 They really seek green pastures
 Over on the other side,
 But since they cannot swim that far,
 They perish in the tide.

How like starved lemmings people are,
 Who swallow all in sight,
 But miss the only true bread
 That can match their appetite!
 They try to fill their souls with things
 That never satisfy.
 Unless they eat this living bread,
 Like lemmings, they will die!

"My Father giveth you the true bread from heaven." John 6:32

"I am the living bread which cometh down from heaven: if any man eat of this bread, he shall live for ever"

John 6:51
